BARTOSZ MYLKA

JUNIOR FRONT-END DEVELOPER

ABOUT

I have been passionate about IT for many years. Lately, the field of coding particularly caught my interest. That's why recently I have decided to retrain myself at Coders Lab. In the near future I hope to combine my communication and language skills with my newly acquired coding skills.

TRAINING

Coders Lab

03/2017 - 04/2017

Bootcamp become Front-End Developer:
HTML, CSS, JavaScript, jQuery, ECMAScript 6, React, RWD, Sass, Git.
